Message from the President of Hartley College Past pupils Association UK [HCPPA (UK)]

It is with great pleasure I am writing this message as the President of Hartley College Past Pupils association UK on the occasion of Natha Vinotham 2016. Hartley College Past Pupils Association (UK Branch) was established in 1983 to promote fellowship amongst Hartleyites in the United Kingdom and support the development and welfare of the College and its past and current pupils.

We are proud of the achievements of our students and the rapid progress of our institution in all spheres. The school has earned a name for itself in its pursuit of wholesome education & extracurricular activities; its alumni have made their alma mater proud by growing into very responsible citizens and thorough professionals.

Many projects have been undertaken by HCPPA (UK) to support the development of infrastructure and educational projects at the school with the generous support of the members and well-wishers. These projects are undertaken in consultation with the school management and HCPPA branches worldwide; the funds are channelled through the HCPPA Global Trust – a legal entity and co-ordinating body established in Sri Lanka.

Recent and ongoing support to the College has taken many forms; including building a canteen for the school, contributing to land on which stands the new technology laboratory, purchasing weight-lifting equipment for the school, supporting school events, bursaries to help needy children, English language teaching to upskill the pupils and supporting the school with the running of the hostel.

We wholeheartedly welcome Dr Kattassery Joseph Yesudas and his accompanying artists Lakshman Sruthi and Alka Ajith to London and thank them for performing today at Natha Vinotham.

Dr KJ Yesudas was born on January 10th 1940. On 14th November 1961 Yesudas recorded his voice for a film for the first time. He has sung more than 60,000 songs till date, in various languages (In films and albums). He has won several awards including the National Award for the best playback singer in India on seven occasions.

He is one of the few Indian Artists to have performed at the Royal Albert Hall, London and the Sydney Opera House, Sydney respectively in 2001 and 2006. This time again in London at the Royal Festival Hall for HCPPA(UK) and DARBAR.

Finally, none of these achievements would have been possible without the tireless and selfless efforts of our Executive committee members, trustees and well-wishers.
