Message from the President

As the President of Hartley College Past Pupils' Association (UK), I am immensely proud and honoured to deliver this message on the occasion of Natha Vinotham 2017. HCPPA-UK was established in 1983 to promote fellowship amongst Hartleyites in the UK and support the development and welfare of the College and its past and current pupils. This year, we have formed the "Hartleyites Sports Club UK" with the help of young Hartleyites. This club represented HCPPA-UK at the Battle of Blues, the annual cricket match between Hartley College and Jaffna Hindu College.

Many projects have been undertaken by HCPPA (UK) to develop the infrastructure and promote educational initiatives at the school... These initiatives are launched in consultation with the school management and HCPPA branches worldwide. The funds for these are channelled through the HCPPA Global Trust, a legal entity and co-ordinating body established in Sri Lanka.

Recent and ongoing support to the College has been to establish a Fine Arts Department, support the purchase of the land adjoining the sports ground with the financial help of Ian K Karan (Senator in Germany), support school events, fund bursaries for needy children, establish English language teaching to upskill the pupils, and support the school with the running of the hostel.

Nathavinotham continues to be one of our main fundraising and events for endeavours towards the school where virtuosos nationally and internationally provide a feast for our senses. As such, we wholeheartedly welcome V.V. Prassanna, Hari Priya, Naveen, Sripathy, Bharathy, Jothy, Majuran, Naveena and accompanying artists Rainbow Music Group and thank them for performing today at Natha Vinotham 2017. It is remarkable that to date, Prassanna has sung more than 1,000 film songs in various languages.

Hartley College continues to remain iconic in the echelons of education in Sri Lanka. Thank you and congratulations to all the students on your continued achievements in both academic and extracurricular activities. You make us proud when we hear about your about your achievements. May Hartley rise and shine always. It's alumni have made their alma mater proud by growing you all into responsible citizens and thorough professionals.

I hope you will enjoy Nathavinotham. Thank you on behalf of HCPPA (UK) for all the support you have rendered to us to make our event and organisation a success. I humbly request you to continue your support for all our future endeavours. None of these achievements would have been possible without the tireless and selfless efforts of our committee members, trustees, well wishers and friends. My heartfelt thanks.

Message from the Principal of Hartley College On the celebration of Natha Vinotham 2017.

As the present Principal of Hartley College, I'm delighted to send this message to the U.K. Branch of the HCPPA on the occasion of their "Fund Raising Programme for Hartley Projects" on the name of "Nathavinotham-2017."

All past students are aware that Hartley College is a school with a unique identity in the school system of Sri Lanka which has provided many a student from all over the country with an excellent education paving the way for them to reach academic and professional heights in every sphere. Over its 175 years long service to the nation, the Hartley has produced many scholars and professionals who are serving both Sri Lanka and other countries in varied capacities in their chosen fields.

As the past students are spread across the world, one of the most effective and enjoyable ways to stay in touch with the fellow students is through the PPA and its networks. Especially your Fund raising programme serves the College Community in various ways which promotes the quality of education.

Your scholarships and prizes to needy and deserving students really motivate the students for their successful education. I must appreciate your fullest support to the Grounds Project of the School. It is also very important that your Aesthetic classes especially "violin" classes to our students is really an asset as they will gain moral values which guides them to be with discipline.

As the Principal of this esteemed institution I wish you all the best for your successful function on behalf of our school community.

Mr T. Muhunthan

Principal

Vote of Thanks

Dear all,

Natha Vinotham has undoubtedly captured the position of being one of the most anticipated events not only amidst UK Hartleyites, but in the entire UK, where there are so many other schools, and events after events. This can only be attributed to the commitment of the committee, the calibre of the performances and the rigorous and continues support from all of you.

Natha Vinotham 2016 made an iconic mark in British History by being the first ever Tamil event held at the Royal Festival Hall, one of Britain's most prestigious halls at South Bank Centre. Dr K J Yesudas, Alka Ajith and Lakshman Sruthi performed here. This year, our focus has been to collaborate with local artists in the UK, so that we can promote their talents alongside established artists from India.

However, Natha Vinotham is just not only a musical treat. The significance it plays in shaping the future of so many deserving students and enhancing education is noteworthy. Primarily through the funds from Natha Vinotham, we undertake a number of Educational and Development projects such as bursary funds for underprivileged children, supporting the Hartley College hostel which accommodates many deserving students from all parts of Sri Lanka especially Mannar, Batticaloa, Vanni, and Kandy, English language teaching, and engaging in extra-curricular activities within the school. This might be why everyone unfailingly contributes their time, energy and support towards this event every single year. Excellent quality event for a great cause! What more can you ask for?

Thus, it gives me immense pleasure in welcoming you to yet another high quality, highly anticipated event: Natha Vinotham 2017.

Thank you very much Prasanna, Hari Priya, and Naveen for agreeing to enthral us with your sterling performance. Deep gratitude is extended to Rainbow Music Group, and Mr Sripathy. You are the backbone to the success of this event! Mayooran and Jothi, our very own Hartley family artists from Norway, thank you for your continuous support for our events. Gratitude and thanks to Naveena as well as all the chorus singers for your contributions to this event. Many thanks to Brindan for the lighting and sound. Thank you Watersmeet Theatre for providing us the venue.

Furthermore, sincere thanks and appreciation are extended to our primary sponsor Lebara and as well Maurice Apple, Sriharans, Subara, Hi Line Cash & Carry, Ganapathy Cash & Carry, Sathy Estates, Jeya & Co Solicitors, A&P Solicitors, Deepam TV and RS Printers for sponsorship.

Thank you to all of you present here for all your continued and unflinching support.

Fiat Lux!

Wishing you all the best,

Ravirajan Shanmugalingam
