President Message

It gives me great pleasure to address you all in this message for the souvenir devoted to today's Natha Vinotham Show. HCPPA's NV19 has taken a different form this year showcasing all Eelam artists around the world whilst providing a platform to the young artists born in this country as well. The members of the Executive Committee continue to show great interest and enthusiasm in the educational development of our college. We are always seeking new ways to improve educational and sport facilities within our school. With 2019's triple events, the Committee is taking an extra interest in ensuring a heartfelt contribution is made from HCPPA-UK. I would like to thank the members of the Committee for their contribution and devotion, wishing all of you attending a pleasant evening with fine entertainment.

We as an organisation have an important role to play in laying a foundation for the future of our school. I have taken up the role of President with a fantastic Executive team of enthusiastic and capable individuals, and we are all eager to enhance the role of HCPPA UK in assisting our school.

I also speak with a sense of excitement for our organisation. In order to serve HCPPA UK better and move it progressively forward, the Executive Committee is working hard towards raising more money to reach full occupation in our school hostel. We have spent the better part of last year assessing our current mode of operations, and laying the groundwork for this transition with transparency. This year we have continued to support one more student, further to the two already supported by us. In addition to this, two members representing HSC are also supporting two more hostel students.

Of course, we cannot accomplish these in isolation and will be seeking your help in the coming months and years on various aspects of our goal. Please contact myself or any members of the Executive Committee with any suggestions you may have. I look forward to engaging with all of you in serving our organisation.

I hope you have a good evening and I wish you an enjoyable show.

M Ellalan

Message From The Principal

It gives me enormous pleasure in sending the brief message on the occasion of musical show Naatha Vinotham 2019 of HCPPA UK branch.

On surface of Naatha Vinotham is a musical event and awe-inspiring performance. As it's core, how ever this event is about blurring imagined boundaries and recognising our inherent unity of HCPPA. It is not only for safe space for sharing of visions and hearing of voices that would otherwise have not been heard and strengthen our Alma mater.

UK branch of HCPPA growing stronger every year and corresponding effect of its evident from the lavishness in their contributions for the development of their Alma mater in both Education and Co-curricular activities and it's devotion and dedication displayed to achieve their set targets.

In conclusion on behalf of my staff, students, parents and we'll wisheres of Hartley College, I wish that the Naatha Vinotham be a successful event.

Convey my regards to all artists and the people, who behind the screen.

RAINBOW BAND

Vote of Thanks

I deem it a great honour and privilege to propose the vote of thanks on this enjoyable evening.

Let me, first of all start by giving all the executive members for making today's event a resounding success. First and foremost, I thank all the artists who have travelled from around the world to perform here today. My special thanks to the Rainbow band who have given fantastic back ground music for the show today. I have to extend my thanks to the young dancers who brought the stage into silver screen.

My sincere thanks to Focusia and AGS sound system who have helped us at the last minute.

I also express my heartfelt thanks to our trustees and vice patrons for their valuable contribution. Their able guidance has always encouraged us.

We are grateful to our well-wishers and friends and without their support we wouldn't have made this show success today.

I owe special gratitude to the Great 80's boys who have donated £1100 for to days show. My special thanks to all my fellow committee members who have worked hard to ensure that this event becomes a memorable success. I thank all the distinguished audience present here.

Also my thanks to the friends who worked behind the screen.

Last but not the least, I thank you all, for your support and cooperation in making this event a resounding success.

Thank you all.
