MESSAGE FROM THE PRINCIPAL

There could be no one in the world who would not enjoy music. Leaving out the human being, the birds, animals, and even the plants enjoy music. Your programme titled “Natha Vinotham” itself sounds wonderful and exciting. The title simply touches variety in music. It is beyond doubt that you have chosen the best method to celebrate the 40th year of the HCPPA-UK, and this is going to be a real feast to the music fans of the PPA and the others who would be present there.

I am extremely happy to send this message on the occasion of this historical event of the HCPPA-UK and wish that the celebration will be a great success. Success of any event organized by the PPA will also be a success to Hartley College. Needless to say, this entertaining evening is surely a source of income to the PPA, which is beneficial to the College in its continued development activities. I also wish and congratulate each and every member of the UK Branch who had endeavoured hard for the successful existence of the Association during the past four decades.

Good luck

T. Kalaichelvan

COLLEGE ANTHEM

Hartley, thy sons are we,
To thine honour always wed
Nurtured, taught by thee,
E'er thy way of life we tread,
Lit at thy hearth our flame burn bright,
Always this light we shed.
Service to our nation true and right,
Thy portals ever lend.

Chorus

Hartley forever, that's our cry
Our motto never let it die,
Hartley forever, out motto ever,
Let there be light

Rise up all Hartleyites
Our mother she doth call,
Scholars and sportsmen vie,
Schooled in her noble halls,
Follow our mentors, proved and tried
They who our ideals guide,
Hold fast your inner light of faith,
Whatever storms shall tide.

Chorus

Hartley forever, that's our cry
Our motto never let it die,
Hartley forever, out motto ever,
Let there be light
Hartley forever, that's our cry
Our motto never let it die,
Hartley forever, out motto ever,
Let there be light

MESSAGE FROM THE PRESIDENT

It is a great pleasure to welcome you all to Natha Vinotham 2023. This year Natha Vinotham is special for all the Hartleyites residing in the UK. We are celebrating our 40th Anniversary with the proud history. Natha Vinotham played a major role in HCPPA-UK history. It is not only contributed to raise a substantial amount of money to support our alma mater but also raised our profile to fascinating music lovers.

The first Natha Vinotham was conducted in 2010 using our local artists on a small scale. It gave us the way forward for all the future Natha Vinothams. From 2010 onwards, we arrange Natha Vinotham every year (except in 2020 & 2021) to raise funds to support our alma mater and provide excellence music to entertain our members, families and friends.

Every year, we bring a unique musical concept to our Natha Vinotham. This year, Mrs Subhasree Thanikasalam, the mastermind behind the revolutionary music series of QFR, (Quarantine From Reality) will bring her unique music creation to the stage of Natha Vinotham using talented musicians Venkat, Shyam, Xavier, Karthick, Kabilan, Rangapriya, Venkata and playback singers Sai Vignesh, Srivardhani, Santhosh, Prathibha and Madhu Iyer. I am sure you will experience another remarkable Natha Vinotham in our history.

Last four decades, our organisation has served our Alma mater in many ways, including upskilling students' academic performance, developing Hartley College's infrastructure and supporting extra-curricular activities. The fund collected from Natha Vinotham has been spent on various activities. Some of them are listed below;

- Contributed more than £50,000 towards the infra-structure development including construction of Canteen, fine arts building and boundary wall around the playground, purchasing lands adjoining to the auditorium, Courts Complex and playground.
- Contributed more than £30,000 towards upskilling students' academic performances, including setting up students' bursary and providing support to additional English language classes.
- Contributed more than £16,000 towards upskilling students' extra-curricular activities, including sports and fine arts.
- Contributed more than £10,000 towards community supports, initiated by Hartley College including COVID-19 support and mid-day nutritious food programme.

These all happened because of you. Your support and encouragement gave us the energy to do more to our alma mater. I take this opportunity to thank you all for your presence and the support you have given us to arrange this concert. I also thank to all our artists for making this concert enjoyable.

A special thanks to our sponsors, donors, and everyone who help us to make this Natha Vinotham such a great success. Your faithfulness and generosity assist our organisation to serve more to our alma mater. I wish you all the very best and have an enjoyable evening.

Thank You!

Dr R. Sivakumar

BATTLE OF THE BLUES - 2022

HARTLEYITES DAY

40 YEARS OF HCPPA UK

Old boys of Hartley College formed an association many decades ago, entitled Hartley College Past Pupils' Association (HCPPA), which is still in operation and based in Point Pedro, mainly to provide support to the school as necessary as well as facilitate social networking for the old boys of Hartley.

Hartleyites who lived and worked in Colombo then formed the first branch outside Point Pedro and named it HCPPA-Colombo. In 1983, the first overseas body, HCPPA-UK, was formed largely by the Hartleyites, who were based in Greater London. Royal College, Colombo, and HCPPA-UK were the only two such associations in place in the UK at that time.

Initially, HCPPA-UK functioned on an informal basis. A small group of well-wishers infrequently met to discuss various ways to help the school. One of the early initiatives discussed at that time was to send a few computers to school to help the students stay in touch with the technological developments that Western students benefit from.

Realising the importance of financial strength as well as the organisational capacity to offer such support to the school, the organisation extended its participation by promoting it to inform as many Hartleyites as possible. The first such initiative was to invite fellow Hartleyites to a lunch held in a school hall, with volunteer members bringing various home-cooked dishes. This and other similar initiatives, over the next ten or so years, increased the awareness of the HCPPA-UK. The committee also established contacts with the school as well as other branches worldwide.

There was a positive blip in the HCPPA-UK operations when former principal, the late Mr. W.N.S. Samuel, visited London, but it was the arrival of the late Mr. Pooranampillai, who moved to live in the UK in the early 90s, that had a positive impact on the function of the organisation, resulting in a major step change in the way it worked. With his advice and guidance, a formal organisational structure was put in place, and the entire operation of the organisation started to be on a formal footing from then on.

In 1993, a formal election was held to elect a committee consisting of three key officials—the president, secretary, and treasurer—as well as committee members, with Mr. Pooranampillai appointed as the patron. This committee formalised its objectives, drafted the constitution, and formally gained the approval of the first annual general meeting (AGM) at the end of that year. The AGM also approved the committee's proposal to host three functions yearly: a fund-raising event, a gala day, and an annual dinner with the AGM. Annually, new officers were elected, with the secretary and treasurer remaining as members of the committee to provide a degree of continuity. In 1993, there were about 150 fee-paying members in the HCPPA-UK organisation.

The fund-raising activities over the years improved and gradually increased the amount of funds held by the committee, with the gala day offering a socialising opportunity

for the entire families of the old pupils of Hartley. In the early days, the annual dinner mainly focused entirely on the college-members experiences, as well as the present and future needs of the school. Again, over the years, the format and focus have evolved, with increasing importance given to reporting the committee's actions as well as entertainment. Although it has evolved over the years, the constitution, as well as the annual structure, are largely still in place.

Since 2010, there has been a major step-up in the cultural and fund-raising program by delivering a musical evening called 'Natha Vinotham'. These concerts have been prepared and presented to a very high quality by a group of able members, featuring well-known local, Sri Lankan and Indian artists. These concerts have been well-received by the audience and have raised significant funds for the organisation.

The association also extended sports activities to include a "Battle of the Blues" cricket match against the old boys of the "Jaffna Hindu College OBA UK" every year.

This first committee also successfully raised a sum of money, which was used to set up an educational fund to provide bright students at Hartley. The subsequent committees gradually improved the outcome of their fund-raising activities over the years. Following a couple of years of successful operations, a small number of well-wishers contributed reasonably large sums of money to provide similar support to the students of Hartley. At this stage, the organisation realised how important it was to secure the funds held by the committee and to encourage the new committee to generate further funds through their own activities. To this end, independent trustees were appointed. Again, this function has evolved, and the current Advisory Committee has taken over the trustee's role.

Initially, the association channelled all its efforts into supporting and funding activities through the parent body based in Point Pedro. As overseas branches successfully increased their fund-raising ability, it became necessary to channel funds for various projects. In 2002, The HCPPA-UK initiated and coordinated the setting up of a global trust that Canada's and Sydney's branches joined in streamlining various project funding. As a result, 'Global Trust' was successfully formed and legally established under Sri Lanka's laws in 2003. The trust was mandated to coordinate between the school, the parent body, and other branches in Colombo and overseas.

The committees not only work as operatives, but also act as a consultation committee in shaping the future of the association. In this respect, members also meet members of the other branches and listen to their comments about their activities and their assessment of the need for the college. The success of the association and its longevity for four decades is due to its members' ability to review and adjust the path it takes from time to time without making major changes to its objectives and constitution.

"NATHA VINOOTHAM" – A MUSICAL JOURNEY

The Hartley College Past Pupils' Association of the UK (HCPPA-UK) has been functioning since 1983; however, Natha Vinotham (NV), the musical concert, was only formulated in 2010. The main objective of NV is to deliver a quality musical concert and generate funds for the association to undertake projects at Hartley College.

NV2010: The first NV was a unique production by Nandini Suthahar for our requirements, completely using London-based professional artists along with prolific singer Yadavan and dancers from her dance institute. It was a musical show based on a combination of ragas but using Tamil cinema songs. This show was well received by the audience and generated a good amount of funds; therefore, the Hartley Committee members and the rest of the Hartley community wanted the NV to continue to deliver a quality show as well as raise funds to uplift the skills of Hartley College students.

NV2011 was a leapfrog, hosting Unnikrishnan and Saindhavi as singers at Fairfield's Hall in Croydon with a specially put-together band. It was a house-full show with 1500 people attending; it was a huge success with substantial fund generation.

NV2012: The success story continued in 2012 when the legendary singer SPB, Roshini and Malathy performed with Chennai's number-one music band, Lakshman Sruthi, at Fairfield's Hall, Croydon. It recorded a high-quality musical show and record-breaking fund generation with a house-full audience.

At this juncture, Natha Vinotham has established its brand identity by delivering high-quality shows with legendary singers, and it has already attracted an audience base outside of the Hartley community purely for the show's quality.

NV2013: Again 2013 was another remarkable year. The Veena legend Rajesh Vaidya, Stephen Devassy, Mahathi, and Sathyapragash have performed. It was courageously put together—a concert integrating live singing with Veena and keyboard.

NV2014: Famous Singer Karthik and Swetha with a specially put together 7-piece band from Chennai performed. Karthik introduced and performed Tamil songs in a fusion format to the live audience and captured the hearts of younger generations.

NV2015: Again in 2015, Nandini Suthahar put together a special tailor-made musical concert combining the singing of Yadavan and Nandini with dances for live singing based on classical themes using Tamil cinema songs.

NV2016: It was the biggest step-up bringing K. J. Yesudas and a big troupe of Lakshman Sruthi to perform at one of the most prestigious venues, the Royal Festival Hall, during the Indian musical festival season. The auditorium was full to its capacity of 2500, and Yesudas sang from 6 PM to 11 PM, covering many of his memorable Tamil songs as well as a few Malayalam, Hindi, and Telugu songs to entertain the respective audiences of those languages. This was a huge milestone in Natha Vinotham's journey.

NV2017: Tamil playback singers Prasanna and Haripriya performed with London-based musicians to keep the NV brand in the market.

NV2018: The other milestone was laid in 2018 by staging a musical show bringing five top musicians from Jaffna, Sri Lanka, including the world-famous Nathaswara Maestro Kumaran Panchamoorthy, and combining London musicians. It also included two well-known singers, Abhay Jodpurkar and Madhu Iyer, from India. This show captivated many Tamils' minds as the Jaffna-based musicians were given the opportunity to perform on a big stage in London, combining professional artists from India as well as from London.

NV2019: NV continued its presence with another show with super singers Jessica and Nirojan both represent the musical aspirations of the younger generation of Tamils.

The Natha Vinotham was on halt during 2020 due to the pandemic; however, a virtual musical performance from Chennai was added as the entertainment to the Global Hartleyites Forum held in 2021, Madhu Iyer and Srikanth performed as the main singers along with four talented musicians presented memorable Tamil songs.

NV2022: The musical live show started again with the famous Vijay TV Super Singer band and four super singer finalists, Abhilash, Adithya, Anu, and Mannasi from season 8, who have recreated Super Singer season 8 in live. It was a mega success and was the first biggest show of post-pandemic.

NV2023: This year is a very special celebration of the 40th anniversary of HCPPA-UK with seven prominent musicians and five well-known singers from Chennai. This musical concert is put together by Subashree Thanikasalam who is well known in the Tamil cinema and musical circle using her world-famous QFR team, especially to set a memorable landmark for Natha Vinotham for HCPPA UK.

Natha Vinotham has fully exploited the market by introducing special logos and using digital marketing as a vehicle to take advantage of social media.

Natha Vinotham is a well-established brand identity now for the musical shows by HCPPA UK, and the concerts are generally sold out as the audience believes in the quality production and execution of musical concerts by HCPPA-UK.

Surely this will grow year by year and produce many more musical concerts in the coming years to raise funds for the betterment of the students of Hartley College.
